TEST EVERY VEHICLE

TEST EVERY VEHICLE

WHY TESTING EVERY VEHICLE IS BENEFICIAL TO YOUR BUSINESS

DID YOU KNOW

Each year, **\$60 billion** in needed repairs are not performed. Customers are keeping their cars longer and preventive care, like testing, can uncover key repairs that increase your business and help keep your customers safe on the road.

Manufacturers are adding more electronics, creating more demand on the batteries and charging system, which are critical for the vehicle to start.

Incorrect battery installation can lead to vehicle damage - an OE AGM battery can only be replaced with another AGM battery.

Testing the vehicle and providing the results allows customers to deal with issues before they become an inconvenient, expensive, or potentially dangerous situation.

NAPA recommends offering a quick 3-minute electrical system test to every vehicle in your shop. If you're not performing testing checks, you're missing out.

VEHICLES ON THE ROAD TODAY

The average age of U.S. vehicles on the road rose to 12.7 years in 2024 and is expected to hit 13 years by 2026

8% will replace an *alternator* or *starter* this year

25% will replace a *battery* this year

87% of people replace a *battery* when shop test shows weak power

EARN MONEY BACK

Earn cash back up to the price
of your tester when you buy
NAPA Electrical products

Please register here if you are not
an Auto Care member or a
NAPA Installer Rewards member.
Dealers MUST register in order to
receive their earn back.

EARN-BACK ITEM

EARN-BACK AMOUNT

NAPA RAY Reman Starters and Alternators	\$2.50
NAPA Proformer Battery	\$2.50
NAPA Legend Battery	\$2.50
NAPA AAA and AAA AGM Battery	\$2.50
NAPA Legend Premium AGM Battery	\$2.50
NAPA Heavy Duty Batteries	\$5.00

Shops that purchase one of six approved testers can earn dollars back, up to but not exceeding the price of the tester, through their purchase of NAPA Brand Automotive Batteries and Starters/Alternators during the entire promotional period. There is no limit to how many testers shops can purchase. At the end of the promo period shops will receive a Prepaid Visa® Card* for the amount they earned back, not to exceed the price of the tester the shops purchased. Shops must purchase a tester to be eligible to receive earn-back dollars. This offer runs February 1, 2026 – July 31, 2026. The six eligible products are the CHT CEA2000, CHT CEA3000, CHT CCWC1224V80A, CHT CCBC12V20AEA, SOR PL6800ST and ADT BT608. Dealers that are not registered in Auto Care or NAPA Installer Rewards must register in order to receive their earn-back.

THE CLASSIC WD-40® PRODUCT

\$11.99

Part# WD 490194

WD-40. EZ-REACH.

Everything you need in a good lubricant: Strong, fast, durable, targeted and safe. WD-40 Multi-Use with EZ-REACH Flexible Straw.

With over 2,000 different uses, WD-40 Multi-Use Product is ideal for any shop or garage.

WD-40®, Brand products (WD-40 Specialist®, WD-40®, Multi-Use Product) do not contain ingredients at levels requiring California Prop 65 warnings, including benzene or toluene.

THIS IS NOT THE CLASSIC WD-40® PRODUCT

MEET OUR PENETRANT.

PENETRATES 50% FASTER THAN THE COMPETITION.*

\$11.99

Part# WD 30048

WD-40 SPECIALIST. PENETRANT WITH EZ-REACH.

Low odor formula penetrates deep into crevices, threads and seams to break the bonds that hold stuck parts together. Ideal for rusted or seized nuts, bolts, threads, locks, and chains.

Fast-acting formula works on contact and leaves behind a protective layer that prevents rust and corrosion from re-forming.

* Test Lab: WD-40 Co. Technical Center (Pine Brook, NJ) Penetration speed measured using nail climb (time to reach 1.75cm). Test dates: 03/2023; 07/2024.

RAPTOR

RAPTOR UP5155 SPRAY ON / ROLL ON TRUCK BED LINER

RAPTOR is an ultra-tough textured coating that gives maximum protection to truck beds and other surfaces. Its advanced 2-part urethane formula forms a tough, water resistant barrier that protects surfaces from impact, scratches, corrosion, chemical spillages, fuels, fresh and salt water and much much more.

- ULTIMATE TOUGHNESS, SCRATCH AND ABRASION RESISTANT
- SUPERIOR PROTECTION FROM RUST, WATER & CHEMICALS
- MAXIMUM UV RESISTANCE, COLOR WON'T BLEACH OUT
- ANTI-SKID – TEXTURED, SLIP RESISTANT FINISH

KIT CONTAINS:

- 4 x RAPTOR COATING BLACK 24 FL.OZ
- 1 X RAPTOR HARDENER 32 FL.OZ
- 1 X MEASURING CUP
- 1 X ROLLER TRAY
- 2 X ROLLERS
- 1 X RAPTOR SPRAY GUN

THIS KIT WILL COVER AN 8FT TRUCK BED OR 125 SQ. FT IN 2 COATS

RESTORE SHOWROOM RELIABILITY

Replace all pulleys and tensioners with the belt to restore like-new performance. Boxed Complete ABDS Kits contain everything you need to do the job.

How many full rotations has a 90-inch serpentine belt made in 90,000 miles?

40 to 60 million revolutions

How many impulses has an automatic belt tensioner absorbed in 90,000 miles?

~1 billion impulses

How many complete revolutions has a 3 1/2 inch pulley made in 90,000 miles?

320 to 490 million revolutions

Pricing Valid as of 7/1/2026 and expires 7/31/2026 but is subject to change based on external factors.
Any changes to pricing will be disclosed prior to purchase.

ELECTRONIC POWER STEERING RACK

With the electronic power steering (EPS) rack on certain Ram 1500 trucks, don't settle for a remanufactured replacement. This Dorman® OE FIX® EPS rack assembly is constructed using 100% new components. It features redesigned electronics with additional surge protection and optimized component layout to reduce heat and electrical interference, plus a UV40 PCB coating to help resist contamination or malfunction. This FMVSS-compliant solution has undergone try-on, corrosion, water intrusion and life-cycle testing, and no dealer programming is needed, thanks to its proprietary software developed by Dorman that mimics all original equipment EPS rack functionality. Completing the installation is easy, using a calibration tool that many independent repair shops already have on hand.

FUEL PUMP DRIVER MODULE

The fuel pump driver module on certain Lexus and Toyota vehicles eventually fails after extended exposure to the elements and when it does, don't settle for anything less than this reliable, cost-effective direct replacement, designed and precision-engineered to match the performance of the original equipment module. This all-new construction module is fully assembled and rigorously tested at our advanced electronics facility in Lewisberry, Pennsylvania. Installation requires no special tools or modifications for a predictable, professional repair on specified vehicles.

Ram 2500 2018-13,
3500 2018-13

REMANUFACTURED VGT ACTUATOR

This Dorman® OE FIX® VGT actuator is upgraded with soldered compliant pins for a more secure and trouble-free connection to the PCBA. The actuator is remanufactured to the highest industry standards in the USA at our advanced electronics facility, and thoroughly tested to help restore factory-spec turbo boost pressure.
